This Index will be found to comprise all the Books in the Library of Parliament to the present date; arranged alphabetically under the name of the author or subject, with the exception of works on Jurisprudence, Political and Social Science and Political Economy, forming the First Part of the Catalogue, which is to be published separately. The pages refer to the large Catalogues on the Library Table, in which full titles of the Books are entered, classified under appropriate heads. A *Subject-Matter Index* has also been included in this Volume, referring to the pages of the classified Catalogue, which contain any works on the subject in question, and to Volumes of pamphlets on the particular subjects. This Index is distinguished from the other portions by being printed in *Italics*. The Names of Authors, and Persons, are printed in SMALL CAPITALS. The titles of anonymous works, as well as of works mentioned under some other head than the author's name, are printed in Roman letters.

Note.

Le présent Index comprend, sous une forme aussi concise que possible, l'énoncé des titres de tous les ouvrages composant actuellement la Bibliothèque du Parlement, à l'exception des livres de Jurisprudence, de Politique, de Législation, et d'Économie politique qui forment la Première partie du Catalogue, laquelle doit être publiée en même temps que celle-ci. Les chiffres qui suivent les titres renvoient aux pages des grands volumes déposés sur les tables de la Bibliothèque, où sont inscrits au long, dans un ordre méthodique, les titres de tous les ouvrages, au fur et à mesure qu'ils sont reçus.

Ce même Index contient aussi une table des matières. Les matières sont indiquées en caractères *italiques*, les noms d'auteurs en PETITES CAPITALES, et les titres énoncés autrement que sous un nom d'auteur en caractères romains.

Un catalogue des livres de la Bibliothèque est tenu par le Bibliothécaire qui en a la garde et la responsabilité, et doit faire rapport à la Chambre, par l'entremise de M. l'Orateur, à l'ouverture de chaque Session, de l'état dans lequel se trouve la Bibliothèque.
